We are expanding our vibrant department and looking for a new member of our English team. You will need to be:

- a highly effective teacher
- creative, resourceful and open to new ideas
- a team player

The English team is housed in a new suite of rooms, with good access to iMac computers. There is excellent access to technology for delivery of an exciting English curriculum from KS3-5. This post would be suitable for both NQTs or recently qualified teachers who can expect an excellent support package from the school. Equally we are interested in more experienced teachers to complement our team and there may be a TLR available for the right candidate.
