Dear Parent/Carer

CHASE TERRACE TECHNOLOGY COLLEGE LOTTERY – FACEBOOK PAGE

I have the great pleasure of sharing some exciting news with you! As you know, in February last year we launched a school lottery, with our first draw on 30 March 2019. The lottery gives everyone in our school community a chance of winning a local cash prize every week, as well as being entered into a separate national draw to win a £25,000 jackpot every week.

The lottery is run in partnership with 'Your School Lottery' and we are one of 400 schools already benefitting from this throughout the UK. Not only does it give you the chance of winning, it gives money back to the school, as for every £1 lottery ticket purchased, 40p is donated back to Chase Terrace Technology College.

Almost 12 months on, the lottery has proved to be a fantastic fundraising activity for the school. To date there have been **46 winners**, claiming **£1,897.50** in total between them. Currently the lottery has **93 supporters** and **138 tickets** and so far has raised **£2,530.00**.

As a parent/carer of Chase Terrace Technology College I would like to introduce you to our school lottery Facebook page. The page has been created to share news about the lottery. We will post the weekly winners, keep you updated on the weekly cash prize, inform you about termly competitions and let you know how the funds raised are spent. I hope it will become a great tool to involve you as parents/carer in helping our fundraising efforts for the school, which ultimately will benefit all of the students.

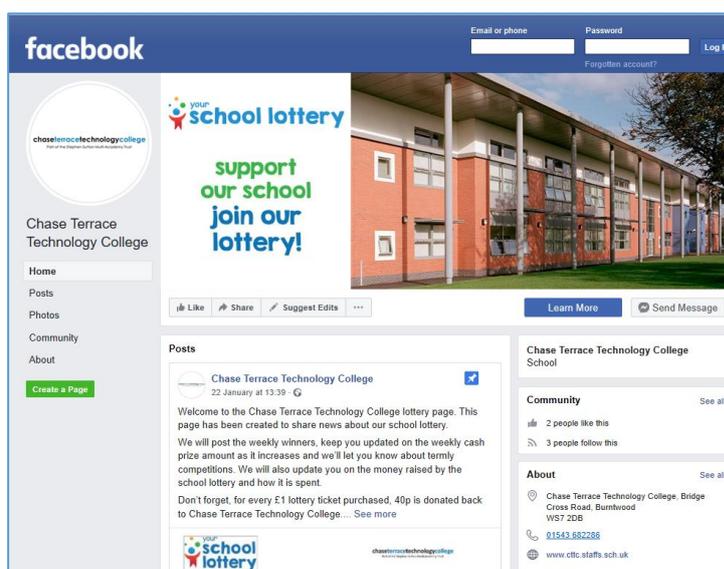

This Facebook page is owned and managed by Chase Terrace Technology College and will be used exclusively for the sole purpose of positively promoting the school lottery and its fundraising. It is aimed at parents/carers with children currently at the school, plus family, friends and the local community who wish to support the school. The page is not intended for discussing any aspect of the school and should not be used to promote any other matters or business other than the school lottery. Any negative or harmful content will be removed by the administrator and Chase Terrace Technology College reserve the right to ban any user who makes inappropriate use of the page.

If you would like to keep informed about the school lottery and our fundraising activities, please go to our Facebook page and **'LIKE'** it:
